Betances Stem Magnet School  
585 Wethersfield Avenue  
Hartford, CT 06114

Dear Betances Stem Magnet School,

The Connecticut Affiliate of Susan G. Komen for the Cure® would like to thank you for your recent donation in the amount of \$392.00 . Your gift will be used to help keep the promise: To save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures.

**We are saving lives.** Komen Connecticut invests twenty-five percent of net proceeds in national breast cancer research initiatives and seventy-five percent in local breast cancer education, screening and treatment programs in Connecticut communities. Komen has invested over \$23 million in Connecticut to fight breast cancer. Mortality rates from breast cancer in Connecticut are decreasing due to better education, screening and treatment. Together we can make sure women understand the importance of early detection and regular mammograms - even if they cannot afford them.

**However, the need is great.** In 2013, nearly 3,000 Connecticut residents will be diagnosed with invasive breast cancer. Thousands of families will face the loss of their sisters, wives, mothers and daughters because of this disease. We are committed to saving lives and with your continued support, we will end breast cancer forever.

With sincere gratitude and appreciation,

A handwritten signature in blue ink, appearing to be "Anne Morris".

Anne Morris  
Chief Executive Officer

*The Connecticut Affiliate of Susan G. Komen for the Cure® is a 501(c)3 non-profit organization. To comply with IRS requirements regarding charitable donations, we affirm that no goods or services were received for your contribution. Your gift was processed on 12/5/2013. This letter will serve as documentation of your donation for tax purposes.*

**Early detection is the best protection.**
