Our Bulk Service is a great way to purchase a variety of items at our lowest prices. You can use this method to supply a book store, or to run multi-annual sales to your organization. Sure, this method takes a little effort for school leaders, but it allows for low prices for parents and/or some profits for your school. Quotes should be requested each time so that the best prices can be offered. Knowing this, below are some average prices for these basic items.
